Download Now!

You can find CVS repository and download of all released project files from the Source Forge site at: http://sourceforge.net/projects/isogest

We have included two compressed versions of the package, in '.tar.gz', and in '.zip' format. Their content is absolutely identical and work both in Windows and Linux systems.

[IGStaff]

More than 15,000 Download

Since its first release as opensource software, IGSuite has had **in excess of 15,000 downloads**. Thanks to Sourceforge.net for providing the diagram below of last 60 days downloads relative to the every day total download.
