

IGSuite Demo OnLine

The Demo on-line is available to anyone wants to try the functionalities of the suite. We invite you to not misuse the service and not to force the necessary information to its operation.

The system periodically restore the original situation cancelling therefore all the inserted data.

Accounts available to you are limited. We invite you to install as soon as possible the product to try it without limitations. The installation is simple and need you few minutes.

Use the following link to gain access to our Online Demo:

<http://demo.igsuite.org/cgi-bin/igsuite>

Login: sam **Password:** guest

Enjoy it.
